Newsletter: Spring Term 13th February 2026

Dear Parents and Carers,

This week, we have been reflecting on this year's children's mental health week theme of 'This is my Place' with a focus on belonging. This is such a central theme to our school vision 'Learning Together, building the Future,' and a great reminder that, in times of need, we must support one another, value our differences and show kindness, empathy and understanding to others in our community.

Don't forget that we break up for half term today, returning on Monday 23rd February.
Have a lovely half-term break,
Mrs Mumby

Punctuality

We are concerned about the number of children who are repeatedly late for school. It is not acceptable for children to arrive after 8.50am when lessons have started. It disrupts the start of the day for children who are arriving late and for those already engaged in their learning. We are now asking for the parents of those children who arrive late to explain the reason for this and complete a late form on arrival at main reception. This requests information about reason for

lateness, time of arrival and lunch order (if necessary).

Due to the interruptions to learning, should you arrive late, we will expect you to remain in main reception with your child until there is a suitable break in lessons for your child to go down to class.

World Book Day – Thursday 5th March

World Book Day will soon be upon us. This year it takes place on Thursday 5th March, so those of you attending parent consultations on this day will be able to admire staff costumes!!

We are inviting all children to join in and choose either of the following:

1. Dress up as your favourite character from a story.
2. Wear your pyjamas and bring your favourite bedtime story.

We understand that not all children enjoy dressing up, so if your child does not wish to take part, they may come to school wearing their school uniform.

This is not a fundraiser, we are just inviting children to take part for fun and in celebration of reading and the joy it brings.

Spring Term Parent Consultations

The bookings for our spring term parent consultations will open after half-term. These will

be made using the Arbor app. It is essential, in order that you can make a booking for your child/ren, that you download the app. If you have any difficulties in enabling this on your phone, please see a member of the office team.

Music Day

A big thank you to Mr Bradley for his hard work in putting together another hugely successful music day on Tuesday of this week. It was a joyous celebration of music and a wonderful showcase of musical talents within and beyond our school. Many thanks to all our performers who were a great inspiration to the children. Definitely one of the highlights of the year to date!
